**AMENDMENT B**

Sir:

In response to the Office Action of March 2, 2002, a one month extension of time being separately submitted, please amend the above-identified application as follows:

**IN THE CLAIMS:**

Please amend the claims as follows:

36. (Amended) A method of manufacturing a display device comprising the steps of:

forming a thin film transistor over a substrate;

forming a pixel electrode electrically connected to the thin film transistor;

forming a body with a textured surface on the pixel electrode; and

forming a light reflection film on the body with the textured surface by one selected from

the group consisting of a sputtering method, a coating method, and a vacuum evaporation method.
